**Conference languages:** Ukrainian, Russian, English, German, etc.

Proceedings of the conference will be published **before the seminar in the collection of scientific works "Linguo-computer Research" (Issue 14) Vasyly' Stus Donetsk National University**. The Editorial Board reserves the right to select articles.

Materials are submitted electronically (on CD, e-mail) at formats \*.doc, \*.docx, \*.rtf, \*.odt together with one copy of the printed text. **Student's articles must be accompanied by a review or feedback from the supervisor with recommendation for printing**. File names (Latin only) must match the last name author, e.g.: petrenko.doc.

Materials must contain the following mandatory elements:

- problem statement and its connection with important scientific or practical tasks;
- analysis of recent research and publications in which the solution to this problem has been initiated problems and on which the author relies, the selection of previously unresolved parts of the general;
- problems to which the speech is devoted;
- formulation of research goals (task setting);
- presentation of the main material of the research in the form of abstracts with substantiation of scientific results;
- conclusions and prospects for further explorations in this direction.

**Authors and scholars are responsible for the accuracy of facts, titles and accuracy of citations leaders.**

Page options: all margins 2 cm. Paper size - A4. Font Times New Roman, size 14, style "normal" ("regular"). If a different font is used, it is necessary submit it on a floppy disk. Line spacing - 1. Paragraph indent - 1 cm. Text printed without hyphens. The pages of the manuscript are numbered in pencil on the back. Volume - from 3 up to 5 pages. The first line in the right corner contains the author's name in bold letters (font - italics). On the second line under the author's name - a scientific degree, title, full name of the supervisor in parentheses (font - italics). The third line indicates educational institution (font - italics). The title of the article is printed in one line (centered, in large bold letters). An abstract is submitted in one line in Ukrainian (up to 5 lines). The next line of the paragraph contains the keywords (up to 5 terms) (font - italics).

Sample design of the beginning of the article:

Anastasia Voloshina  
(Supervisor: Candidate of Philology, Associate Professor I.V. Garber)  
Vasyl' Stus Donetsk National University

### "MONEY" DATABASE IN UKRAINIAN AND ENGLISH PHRASEOLOGY: DESIGN EXPERIENCE

The article deals with the database "Money" in Ukrainian and English phraseology with relying on a system of cultural codes. The project tables of the specified linguistic are concluded databases and cultural coding of phraseological units for designation availability / absence of money in Ukrainian and English languages. Received information it is made out by the corresponding language of representation at a datological stage of designing.

Key words: culture code, linguistic database, phraseological unit.

One line after the abstract thesis are submitted (aligned in width). Illustrative material is printed in italics. Vocations in the text are given in square in parentheses indicating the ordinal number of the source and page, eg: [3: 7; 5: 321].

It is necessary to distinguish between dashes (–) and hyphens (-): the difference lies in the size and presence of spaces before and after the dash. Abbreviations of the type, etc., XVI century., initials for surnames (e.g., N.L. Ivanytska), names of settlements such as Kyiv, p. Ivanivka are printed through non-breaking space (simultaneously pressing Ctrl + Shift + space). Abbreviations of the 90s, 1st - with an unbreakable hyphen (simultaneously pressing Ctrl + Shift + hyphen). In the text using quotation marks such as «...».

If the abstracts provide diagrams, they must be grouped (View – Toolbar – Painting – Select an object. Hold down the «Select Object» button to select the objects you want to group, on the «Drawing» toolbar, click «Actions», and then select command «Group»).

The list of references is presented in alphabetical order in accordance with the current state standard. The title "Literature" is printed on the next line after the main one text (bold in the middle of the line). Bibliographic sources are given without paragraph separation. The name of the author of the work (or the first word) and the serial number of the source are highlighted in bold. Sample:
